

Pre-employment Physical and Screen

You will be meeting with one of the Employee Health Nurses for your pre-employment physical and screen as scheduled with Human Resources.

The Employee Health nurse will review the physical demands of your position along with reviewing your immunization requirements and determine if any lab work is required.

You can expect your appointment to take about 1 ¼ hours.

Please bring with you proof of any of the following (proof means documentation signed by a doctor or nurse of vaccinations received, or antibody titers which indicate immunity to the diseases listed below). If you do not have this evidence, then lab tests will be ordered to determine your immune status.

REQUIRED ITEMS:

- TB skin test(s) or Quantiferon Gold test from past 12 months
- Work Release and or restrictions from your doctor if you have had surgery or an injury which restricted your ability to lift or move in the past twelve months.
- Completed EHS Medical History form – included in this packet
- Proof of 2 MMR vaccines, or antibody titers for measles, mumps and rubella
- Proof of 2 varicella (chicken pox) vaccines, or antibody titer for varicella
- Influenza vaccine (seasonal – October 1 thru March 31)

RECOMMENDED ITEMS:

- Proof of immunity to Hepatitis-B – either antibody titer or proof of 3 vaccines
- TD or Tdap within the past 10 years.

If you have been fit tested please bring documentation stating date of testing along with mask size.

If you have any questions please contact Employee Health Services at 320-4026.

*Documentation from other employers or school can be faxed to:
Employee Health Services, Attn: Judy Check, RN at (920) 320-5154.*

Thank you and we look forward to seeing you soon.
