Most results are mailed directly to you the next workday, along with an explanation of the tests ordered. You will be called if results require immediate attention. Your primary care provider will NOT be notified so you will need to share results for follow-up care. Results will be in **My Personal HFM Record** after three days. Tests cannot be billed to insurance, so payment is due at the time of the test (cash, credit cards and checks are accepted).

Consent and order forms may be completed in advance and can be found at: [hfmhealth.org/lab-tests](http://hfmhealth.org/lab-tests)
